

## Smart Rim Strike to suit Lockwood 001 Dead Latch

5800/2-N-SC-03 Battery powered, BLE

### Overview

Open your door via mobile phone! The Smart Rim Strike replaces your existing strike box allowing ekey access.

Your Rim strike remains in place, leaving existing keys functional.

Perfect for your kids, cleaner, e-keys can be granted full time or restricted access. Managed via license free Verroo App.

Powered by 1 x CR2 lithium battery providing 12 months or more of run time with a simple and quick battery upgrade process.

The lock is designed to enterprise locking standards with exceptional strength characteristics.

Proudly designed and manufactured in Australia.

### Software / App Support

#### Verroo App

Operate Smart Core with Verroo's own license free App available on iOS and Android.

The native Verroo app is a cloud free ekey management solution that utilises AES military grade encryption.

Owners and assigned admins can issue programmable ekeys providing either unrestricted access, or time-of-day, day-of-week and expiry date/time restrictions.

The Smart Core maintains current user rights list as well as rolling audit trail.

Ideal for smaller deployments, SME business, Domestic applications
