

## 3950 - Smart Strike

Save the cost of wiring to pedestrian gates  
**IP56 Rated Smart Strike**

**3950/0-BK-03-WP** Battery powered, BLE.

### Benefits

Finally a weather resistant, Bluetooth controlled smart locking solution that sits discretely in the gate or door frame, allowing your choice of 570 or tubular latch / handle set.

The 3950 Series Smart Strike is built to the 200 series footprint commonly used in the access control market.

It features serious security by design rated, S8 for strength and class leading 1200 Newton Meters impact resistance. Perfect for 'hard to wire to' pedestrian gates.

Current unit fits to the right of the door frame (left hand hinged) when looking at the gate or door from the secure side.

### Specifications

1 x CR2 Battery powered. Easy to replace by end user.

Battery life expectancy is approximately 1 year or 40,000 open/close cycles. Up to 3 years standby.

Bluetooth low energy (BLE) control and management.

Capacity of up to 1,000 users.

Retains over 1,000 events rolling audit trail. EKey communications are end-to-end encrypted, using military grade AES standards - Verroo app.

Rated S8 for Strength, D8 for durability: 500K Cycles.

Tested to 1200 Newton Meters impact resistance.

Working temperature range is -25°C to +60°C.

IP 56 rated AS60529: 2004.

---

### Software / App Support

The Verroo open platform approach allows your choice of app or software control. 3950 models come standard with Verroo license free native app. See website for enterprise control options.

#### Verroo App

Operate Smart Core with Verroo's own license free App available on iOS and Android.

The native Verroo app is a cloud free ekey management solution that utilises AES military grade encryption.

Owners and assigned admins can issue programmable ekeys providing either unrestricted access, or time-of-day, day-of-week and expiry date/time restrictions.

The Smart Strike retains current user rights list as well as rolling audit trail.

Ideal for pedestrian gates, residential, multi-res and SME.
